DR. SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent
Division of Negros Oriental
Capitol Area, Dumaguete City, Negros Oriental

Dear Dr. Paulin:

Greetings of peace and good health from Asian College Dumaguete!

In commitment to our support for the implementation of the K to 12 Program of the Department of Education, and with our mission in equipping students with globally relevant knowledge and skills through excellent training and innovative people management, we are very pleased to be part of the students' dream in attaining their respective goals.

Unlike in previous years wherein we were allowed to do rounds of Career Orientation Seminars to your Junior (Grade 10) and Senior (Grade 12) High School students in their classrooms or via General Assembly or room to room, we might be doing a different approach now to touch base with your students amidst this ongoing pandemic.

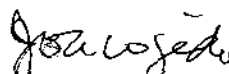

In connection to this, Asian College would like to ask for your kind approval and support to disseminate our online video advertisement link particularly to the schools which belong to the Division of Negros Oriental as part of our **Semi - Online Career Orientation Sessions** to help graduating students understand their options and assess their inclinations and interests for the Senior High School Program and College.

Thank you very much.

Sincerely yours,

Josephine O. Acojedo
