Dear **Dr. Jimenez**:

Greetings!

On behalf of the Culture and Heritage Unit of the Ramon Aboitiz Foundation Inc. (RAFI-CHU), we would like to extend our gratitude once again for your continued support in our educational activities and in our aim to develop a strong sense of cultural identity among local communities.

With the recent celebration of the quincentennial anniversary of the first circumnavigation of the world, interest in history and heritage has sprung out. But do people really know the difference between history and heritage?

In celebration of National Heritage Month, Casa Gorordo Museum (CGM) will hold an online talk entitled "Basics of Heritage: Understanding Heritage and its Importance" May 17, 2021 2pm to 3pm. It will be streamed through the CGM Facebook page at <https://www.facebook.com/casagorordomuseum>.

In this regard, we would like to partner with your office by co-organizing and inviting your teachers and students on this Virtual Session. Here is the link for the registration: <https://forms.office.com/r/uwYmyKyQkn>

As the co-organizer, these are the proposed areas where we can engage:

1. We would like to request for your official logo to be included in our promotional material. This will be termed as "in partnership with DepEd Region VII"
2. Cross post of the promotional materials and live simulcast in your official Facebook page on the day of the online talk.
3. Discussion on highlighting a specific content relevant to the need of DepEd that is still related to the identified topic.

If there are other areas where we can optimize the partnership through this webinar, we would be glad to discuss.

If you have any queries, please feel free to contact **Rave Axl S. Fabria** at 0917 639 4181, or email at rave.fabria@rafi.ph.

Thank you very and we hope for your most favorable response. We hope to continue partnering with you in touching lives and shaping the future of our country.

Sincerely yours,
