AND LAUNCHING OF THE CONTEXTUALIZED WORKTEXTS AND SELF LEARNING  
MODULES AND VIDEO-BASED LESSONS**

1. Education is one of the sectors that has been affected much with the global challenges brought about by the covid-19 pandemic. All educational levels both in public and private institutions have shifted modalities which are deemed appropriate to the present life situations among learners and families just to afford education to all. Ultimately, the new normal education in this division is characterized by distance learning thru printed modules.
2. Despite the challenges that the schools, students, and families have experienced in the new normal, yet, SY 2020-2021 has been completed with blissfulness. All these are attributed to the synergized efforts of the entire education community.
3. Thus, this office, with thankfulness, would like to exhibit all the instructional managers' and learners' outputs as our way of informing everyone on how the basic education learning continuity plan has been implemented with emphasis on giving recognition to all those who contributed to make education continue amid this unprecedented phenomenon.
4. The gallery or exhibit will be presented on **July 29, 2021** at the Division Conference Room with the theme: "**Realizing Education Amid Pandemic (REAP)**." On this day also, the different contextualized and digitized learning resources thru work-texts and video-based lessons in preparation for the next school year will be launched. This will be live-streamed thru the DepEd Tayo SDO Negros Oriental fb page.
5. The gallery or exhibit will continue to be displayed on August 2-6, 2021, still at the Division Conference Room.
6. In preparation for the said activity, select schools thru the Public Schools District Supervisors (PSDSs) and School Heads are requested to provide support.
