Office of the Regional Director

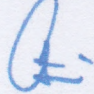

AUG 02 2021

REGIONAL MEMORANDUM
No. 0645, s. 2021

**REITERATION ON THE OBSERVANCE OF THE MINIMUM PUBLIC HEALTH
STANDARDS IN DEPED REGION 7**

To: Schools Division Superintendents
Assistant Schools Division Superintendent
All Others Concerned

1. Considering the currently increasing trend of COVID-19 cases in our country and the emergence of different variants of concern, all Teaching and Non-Teaching personnel are reminded to observe the minimum public health standards in the workplace.
2. In this regard, all personnel are encouraged to:
 - a. Wear a mask (and face shield, if applicable) AT ALL TIMES except when drinking water and during mealtime. Observe proper use of facemasks making sure that both nose and mouth are covered.
 - b. Observe proper cough etiquette when sneezing or coughing.
 - c. Frequently clean hands by proper hand washing with soap and water or using alcohol-based hand rubs/disinfectants if water is not available.
 - d. Practice physical distancing (at least 1 meter apart) at all times. Prolonged and close physical interaction increases the risk of transmission. Limit interaction to decrease the risk of transmission.
 - e. Limit face to face activities and travel as much as possible unless absolutely necessary.
 - f. Know the facts of COVID-19 and help stop the spread of rumors and the disease. Everyone is advised to refrain from spreading unverified reports and/or false news to avoid undue stress and worry due to misinformation.
 - g. Support the FDA approved COVID-19 vaccines. The vaccine for COVID-19 is an integral part of disease prevention and should be complemented by the observance of these Minimum Public Health Standards.
3. Compliance and wide dissemination of this Memorandum is desired.
