**Subject: DOCUMENTARY VIDEO EPISODES OF THE 'OUR FRAGILE  
EARTH: PROTECTED AREAS OF THE PHILIPPINES'**

The Climate Change Commission, through the leadership of House Deputy Speaker Loren Legarda, conceptualized and produced documentary video episodes titled 'Our Fragile Earth: Protected Areas of the Philippines' with the Department of Environment and Natural Resources.

The episodes aim to foster national awareness about our country's conservation areas as provided under RA No. 11038 or the Expanded National Integrated Protected Areas Systems (ENIPAS) Act, to educate the people on how to maintain ecological balance, and to enhance biological diversity amid climate change.

With this, the Undersecretary for Administration, through the Bureau of Learner Support Services-Youth Formation Division, shares the attached list of links for the information of the field offices of the Department of Education.

For more information, questions or concerns, please contact Mr. Adolf P. Aguilar, Chief of BLSS-YFD, through 09190934914 or email at [blss.yfd@deped.gov.ph](mailto:blss.yfd@deped.gov.ph).

For immediate dissemination and compliance.
