DR. SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent
Division of Negros Oriental
Capitol Area, Dumaguete City, Negros Oriental

Dear Dr. Paulin:

Greetings of peace and good health from Asian College Dumaguete!

As our commitment to support the implementation of the K to 12 Program of the Department of Education and our mission to equip students with globally relevant knowledge and skills through excellent training and innovative people management, we are very pleased to be part of the students' dream in attaining their respective goals.

Unlike the previous years wherein we were allowed to do rounds of Career Orientation Seminars to your Junior (Grade 10) and Senior (Grade 12) High School students in their classrooms or via General Assembly or room to room, we might be doing a different approach now to touch base DepEd students amidst this ongoing pandemic.

In connection to this, Asian College would like to ask for your kind approval and support to disseminate these three career orientation seminar options as part of our **semi-online career orientation sessions** to help graduating students understand their choices and assess their inclinations and interests for the Senior High School Program and for College.

1. Video Advertisement link: <http://bit.ly/AC-Marketing-Video-2020>

→ The video presentation will exhibit the programs that we are offering for senior high and college.

2. Virtual Career Orientation via Zoom or Google Meet

→ A scheduled virtual meeting with students' participation to present and discuss our programs.

3. Flyering

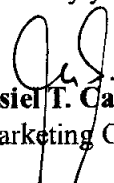

→ To visit schools and distribute flyers upon parents/student's scheduled claim and return of modules.

Moreover, we would like to assure you that only members of the team who are fully vaccinated will get the chance to participate every time there is a face-to-face interaction with the parents and students. Rest assured that our team will strictly follow social distancing and will disinfect materials before handing them.

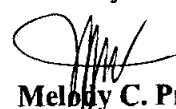

We are very much looking forward to your positive response. You may contact us at these numbers (035) 421-0469; (035) 225-4714; 0967-317-9207.

Thank you very much.

Sincerely yours,

Jesiel T. Carale
Marketing Officer
