In view of the foregoing, the ROs concerned are requested to officially contact and send a letter to the 20 private schools on or before November 17 to inform them that they have been approved for participation in the pilot implementation of F2F classes. **Please note that only K-3 and Senior High Schools (SHS) will be allowed for the pilot F2F classes in accordance to DepEd-DOH Joint Memorandum Circular no. 1, s. 2021.** ROs are also requested to inform the rest of the 33 private schools that were nominated that they are considered to be in line for the expanded phase. Finally, for the other private schools that applied but weren't nominated, ROs are requested to communicate to the schools any deficiencies in their application so that they may resubmit their proposals for evaluation and possible inclusion in the expanded phase.

Furthermore, to ensure well-coordinated and synchronized pre-implementation of the F2F classes, this office will be conducting an orientation to the 20 selected private schools. The presence of the Quality Assurance Division (QAD) Chiefs of the respective ROs is requested. The details of the orientation will be communicated with you through email.
