DR. SENEN PRISCILLO P. PAULIN

Schools Division Superintendent
DepEd Division of Negros Oriental

Dear Dr. Paulin:

Greetings!

DCCCO Multipurpose Cooperative is the humble partner of NATCCO Network in cascading the Financial and Social Education to the students through the Aflatoun Program. Currently the program is being implemented in the provinces of Negros Oriental, Negros Occidental and Siquijor with a total of 84 partner schools.

As one of our activities in strengthening the program, DCCCO will conduct Aflatoun Teachers Training with the following training objectives:

1. To define the Aflatoun concept of Child Social & Financial Education, with emphasis on child-centered approach to learning
2. To realize the value of social empowerment and financial literacy for teachers and students
3. To determine the effectiveness of the Teacher's Guide, and find natural entries for curriculum integration.
4. To inspire teachers in taking charge of their own financial lives

This year the target participants are the teachers of our Aflatoun partner schools in selected areas of Negros Oriental. Each partner schools are encouraged to send four (4) teacher representatives including the principal to participate in the training.

In this regard we would like to ask the support of DepEd Division of Negros Oriental for your approval and information dissemination in the conduct of the Aflatoun Teachers Training via Zoom to our Aflatoun Partner Schools as listed below:
