Dear Ms. Karla

Congratulations! Our proposed budget for your book donation for DEPED NEGROS ORIENTAL was approved today.

Please see attached list of recipient schools with the schedule of book distribution. We will start our distribution on May 31 to Nov. 16, 2021.

There will be 262 schools to received book donation from Grolier international. Division office will also receive 50,000 worth of books. Please feel free to revise the schedule depending on the geographical location of the schools.

I hope we can release a DEPED memorandum informing the school principal of the scheduled distribution. We will appreciate it very much if you organize a short turn over ceremony for the Division office and Schools for documentation purposes. Pictures will be sent to our head office in Pasig City, regional office in Hongkong and International office in New York as proof of the donation.

Rhialyn Mabutol of Grolier international will call you anytime to discuss details.

Praying for the success of our partnership.

Stay healthy and safe,
