DEPED Negros Oriental

Dear sir Paulin,

As discussed during turn over ceremony between DepEd Negros Oriental and Globe, I am attaching to this letter the proposed schedule of distribution per School under your division. Indicated in the list is the allocation of sims per school and the number of Sellers/Brand Ambassadors we will be deploying, and the intended number of days for distribution.

We will be starting this June 11 for the first batches of schools in Valencia since the municipality is still on lockdown. We are targeting to finish the distribution by July 30, but this could be moved depending on the present circumstances we are faced with.

Should there be any questions, clarifications, and suggestions, please feel free to contact me on the mobile number indicated below.

Sincerely,

JAScer MERCED

Territorial Sales Head
