CONFIRMATION AND CONSENT FORM

Survey on Children's Participation in Climate Action in the Philippines

Save the Children Philippines (SCP), in partnership with the Department of Education (DepEd), has been advocating for the empowerment of our children as change agents on issues about their rights and well-being, including climate crisis. This advocacy aims to support them through initiatives and ideas, which ensure that their voices reach out from local to national stakeholders and the international community. This rights-based approach in addressing climate crisis as children's rights crisis has been highlighted in several discussions with children and youth across the region in the year 2020.

In line with the initiative to enhance programming and advocacy on climate action with children's participation in the Region of Asia, the SCP in partnership with Disaster Risk Reduction and Management Service (DRRMS) and the Bureau of Learner Support Services – Youth Formation Division (BLSS-YFD) of DepEd hopes to conduct the "Children's Participation in Climate Action" survey. The survey is part of the regional study that includes various countries such as Bangladesh, Cambodia, Fiji, Laos, India, Japan Nepal, Pakistan, and Philippines.

For questions or clarifications, please do not hesitate to contact the DRRMS through (02) 8637- 4933 or email at drmo+ccam@deped.gov.ph, and the BLSS-YFD through (02) 8637-9814 or email at blss.yfd@deped.gov.ph.
