MEMORANDUM

MLA-2021- 92

TO : **Public Schools District Supervisors in Amlan, San Jose, Sibulan 1, &
Sta. Catalina District 2
School Administrators, Teachers and Staff
All Others Concerned**

For the Schools Division Superintendent:

FROM : **NILITA L. RAGAY, EdD**
OIC-Office of the ASDS
Office-In-Charge 1/25/2021

SUBJECT : **LIFTING OF HOME QUARANTINE STATUS OF TIP PARTICIPANTS**

DATE : January 22, 2021

1. This office informs the teachers and other personnel who attended the Teacher Induction Program (TIP) on January 7, 2021 at Plaza Maria Luisa Suites Inn that the Home Quarantine Status has been lifted due to the negative swab test result of the teacher participant as certified by the Municipal Health Officer of the concerned municipality.
2. On this regard, the concerned personnel can perform tasks in the respective schools and districts, still observing the stringent health protocols.
3. Immediate dissemination of this **MEMORANDUM** is desired.

MUNICIPAL HEALTH OFFICE

January 19, 2021

NIDA L. BERSABAL, Ed.D
Public Schools District Supervisor
Municipality of Amlan
Province of Negros Oriental

Dear Madame,

Good Day!

The RT-PCR swab test result of the Teacher from Tandayag Elementary school who attended the Teacher Induction Program last January 7, 2021 came out negative. With this result, the Tandayag elementary school may now reopen for modular classes and those who attended the said Teacher Induction Program may now stop their home quarantine.

Thank you for your utmost cooperation.

Truly yours,

ERICK JUDE T. BRIONES, MD
Municipal Health Officer / Incident Commander – Amlan COVID-19 ICS
Amlan, Negros Oriental
