To whom it may concern;

Good day! In connection with our previous letter regarding the changes that happened to Grolier International Inc. in the Philippines brought by the pandemic, Grolier Asia would still want to continue to help the Filipino children through the Department of Education – School Division Office of Negros Oriental

This can be done through our partner distributor, RBCEP Book Trading, under your Adopt-A-School program.

We are endorsing our partner distributor to still push through with the Edutour Program and proceed with donating our Digital Encyclopaedia – Grolier Online – to be used by your schoolteachers.

Should you have any queries, you may get in touch with our partner distributor directly with our Project Coordinator:

SENEN PRISCILLO P. PAULIN, CESO V
School Division Superintendent
Schools Division Office of Negros Oriental

Dear Mr. Paulin,

Greetings from RBCep Book Trading ,

Thank you for partnering with our company in upholding our common mission to reach and inspire every child to read more, learn more, understand themselves better and ultimately lead a better life. Grolier Edutour in the schools under your Division will be granted access to **Grolier Online**. **This can be done through RBCep Book Trading, Authorized distributing partners of Grolier International under your Adopt-A-School program.**

Grolier Online is a non-fiction site that sits upon hundreds of thousands of content assets written by experts and verified by professional editors. With the coming school year being still online or blended, a reliable digital resource will be very helpful in improving teaching methods and enhancing learning for students.

We will be providing the following **free-of-charge**:

1. Four (4) access codes to Grolier Online good for one (1) year to be given to your Division.
2. Four (1) access codes to Grolier Online good for one (1) year to be given to each of the select schools under your Division
3. Access codes to all teachers who will be present during the turnover ceremony in the select schools.

Estimated cost of this donation of Grolier Online Access per Division with at least 40 schools is Php 400,000.

In return, we would like to request an hour of your time for the turn-over ceremony and orientation about this online resource. Please allow us also to take photos for documentation purposes in the turn-over ceremonies to be held in each of the select schools.

Hope you find our proposal beneficial, and we are looking forward to our fruitful partnership with your Division. For clarifications and other concerns feel free to contact the undersigned at rmabutol9@gmail.com or call or text at 09173140665

Yours Truly,
